TRUSTEES' MEETING

MUCH BUSINESS CONSIDERED AND TRANSACTED AT THURSDAY EVENING MEETING

The Board of Trustees met in regular session at the City Hall at 8:10 p. m. August 23rd.

Present at roll call: Grist, Jackson, Muhleman, Woodberry.

Absent: Thompson.

Trustee Muhleman was appointed chairman pro tem.

The minutes of the last regular meeting were read and corrections ordered to be made, on motion of Trustee Woodberry, as follows:

On page 737, the word "Assessment" be changed in all instances to "re-assessment" and the words "one communication" be substituted for the words "only one protest."

Also, on page 739, erase the word "Ford" preceding the word "runabout."

These corrections being made, the minutes were approved.

A communication was read from the League of California Municipalities giving notice of the Twentieth Annual Convention of the League to be held at Santa Rosa during the week commencing September 24th, and urging the city to send representatives to the Convention. The communication was ordered to be filed.

On motion of Trustee Jackson, it was ordered that the City Manager be sent to represent the city, the expenses of the trip to be borne by the city not to exceed $50.00.

A communication was read from the City Manager suggesting that the action of the Board of May 2nd last in reference to the transfer of funds to the Insurance Reserve Fund, be amended so as to provide for a payment by the Public Welfare Department of $225.00 per month instead of $75.00; these payments to begin July 1, 1917, and continue until the Public Welfare Department has paid into the insurance reserve fund the sum of $3000.00. On motion of Trustee Woodberry, the recommendation of the City Manager was concurred in and the Treasurer was instructed to make transfer accordingly.

A communication was read addressed to the Dairy and Milk Inspectors of California inviting representation at a meeting to be held in Santa Rosa on September 25th next for the purpose of considering the formation of an organization of the dairy and milk inspectors of the State. On motion, the communication was ordered to be filed.

The City Manager submitted a report in regard to the proposals received at the last meeting for furnishing the city with a motorcycle for police service, recommending the acceptance of the proposal of the Henderson Motorcycle Sales Company for furnishing a machine fully equipped for a total of $325.25. On motion of Trustee Grist, the recommendation of the City Manager was adopted and the purchase of the machine authorized; $75.00 to be paid upon delivery, balance within ninety days.

The City Manager reported that an improvement had been made by the Pacific Electric Company in handling the traffic on Brand boulevard and Broadway, particularly in regard to incoming cars.

The Manager of the Public Service Department reported that his department had entered into a contract a few months ago with the Verdugo Lighting District, which in view of a recent court decision, it is not desirable to continue, and that the Supervisors are willing to rescind the same. On motion of Trustee Woodberry, the Board authorized the proper officers to sign the necessary papers, abrogating the contract.

The Manager of the Public Service Department made a report that the Railroad Commission has by recent decision given permission to the Southern California Gas Company to increase its rates in Glendale and certain other cities of Southern California from 68c to 80c per thousand feet, with a minimum of 50c. In his opinion, if this increase takes place, it will cost the consumers of gas in this city at least $10,000.00 additional per annum.

On motion of Trustee Grist, it was ordered that this Board hereby expresses its disapproval of the action of the Railroad Commission in authorizing increase in the price of gas in this city, especially as the City of Glendale and others concerned were given no opportunity to be heard in the matter; and furthermore, that the City Manager communicate with other cities affected by this decision for the purpose of determining what action shall be taken in expressing dissatisfaction with the decision of the Commission, and if such cities are willing to join the City of Glen-

LUSBYS RETURN

NOTE THE WAR SPIRIT EVERYWHERE IN TRIP TO ATLANTIC COAST

C. D. Lusby, cashier of the Glendale Savings Bank, returned Thursday from a three weeks' trip in the East. He was accompanied by Mrs. Lusby, and says they had a most delightful time. They stopped for a few days in Iowa, visited Chicago, and then went on to New York by way of Niagara Falls and Albany, where they took the Hudson steamer. At New York they visited their son, W. E. Lusby, who is employed in the great National City Bank. On their return journey they came by way of Washington, spending a day in the capital, visiting the national buildings and other places of interest.

Mr. Lusby said that one can feel the war atmosphere everywhere from coast to coast, but that the feeling grows in intensity as you travel east. In New York City there is comparatively little talking now; it is all preparation. At Yonkers, where young Mr. Lusby makes his home, there are two encampments, and at the time Mr. and Mrs. Lusby arrived there, they remarked the number of soldiers, but when they were leaving to come home, both encampments were crowded to capacity with men who, one of these days, will be sent to the fighting line in France. In Washington it is war, war, and the air there is fairly tense with its spirit.

Mr. Lusby says that while his trip was extremely enjoyable, and he was glad to meet his son again, he was also glad to be back again in sunny California. "After all," he added, "there is no other place like it."

TOURING THE ORIENT

Rowland Walters, of the the U. S. Navy, who is on the Cincinnati in Asiatic waters, writes the following interesting letter to his grandmother, Mrs. N. H. Palmer, 136 Elrose street.

Yokohama, Japan,
July 18, 1917.

Hello Grandma:—I received your loving letter July 17, on my birthday and was sure glad to get it. I am very sorry you were sick; hope you are "O. K." now.

We are making a cruise to Japan and China now and are going to Sydney, Australia, I think.

Say, the people in Japan are sure clean. When you go to a show you have to take off your shoes and put on sandals. Everything is pretty and clean in their homes, just like the pictures you see.

To-morrow Beryl Platt and I are going on a three-day liberty to see the sights.

Here is a list of places where I have been stationed: Guam, Honolulu, Manila, P. I., Olongapo, Cavite, Shanghai, Nanking, Hongkong, China, Tokio and Yokohama, Japan.

We are safe as far as fighting goes out here, so don't worry about that.

Will have to close now and go to bed.

ROWLAND WALTERS.

JIMMIE GIBSON ENLISTS

James W. Gibson, who has been with the Public Service Department of the city for the past three years, has been accepted and enlisted in the Coast Artillery.

In speaking about him this morning, H. B. Lynch, manager of the Public Service Department, said:

"Gibson's a mighty nice fellow and we are sorry to lose him, but we are pleased that he is willing to answer the call of his country."

Mr. Gibson is the son of Mrs. Dora L. Gibson, 1453 West First street, who has been instructor of music in the High School for a number of years.

LOUIS ROBERTS WRITES

The following extract from a letter received from Louis N. Roberts by his mother, Mrs. R. Roberts, 405 South Maryland avenue, contains some information which may be of interest to parents and relatives of members of the 21st Co. Coast Artillery stationed at Dead Man's Island:

"Notice the new address at the top of the page (Reservation Point, Ft. McArthur, Cal.). We expect to stay here at least three months. Our place is open to callers on Sunday from noon to five o'clock. A boat marked U. S. Engineer Dept. leaves the Catalina boat landing every hour from 8 a. m. to 3 p. m. No fare."

Mr. and Mrs. A. W. Tower and little daughter Ruth, 743 South Adams street, and Mr. and Mrs. Lawrence Ellis and son Charles Robert, 537 South Kenwood street, will form a jolly party which will spend the week-end at Santa Monica.

POPE BENEDICT MAKES STATEMENT

GIVES VIEWS THROUGH THE UNITED PRESS ON DEMOCRACY AS RELATED TO THE PRESENT WAR

(Copyrighted by United Press)

NEW YORK, August 24.—Pope Benedict in a statement made through the papal secretary of state and the United Press gave to the world his views of democracy as related to the world war as follows:

"History teaches that any form of government imposed by arms does not and cannot live."

"Democracy is receiving such an impulse from this war that wisdom must prevent its deterioration in excessive forms, such as anarchy."

His Holiness states that his references in his peace proposal as to disarmament and the freedom of the seas are based on President Wilson's famous address to the Senate. He took up every point in his peace plea and stated that it was based on public statements made by statesmen of the belligerent powers. He denied that his proposal for a peace conference was inspired by any warring nation. He pointed out that as to condemnation of damages caused by nations at war, "there is an exception," applying particularly to Belgium.

$100,000,000 MORE FOR RUSSIA

RUMOR THAT FEAR OF RUSSIAN COLLAPSE CAUSES UNREST IN U. S. GOVERNMENT CIRCLES UNFOUNDED

WASHINGTON, August 24.—The United States government to-day extended a further credit of $100,000,000 to Russia. This is Secretary of the Treasury McAdoo's answer to the rumor that fear of a Russian collapse was creating a feeling of unrest and fear in this country. Russia's credit is now $275,000,000. This is only the beginning of the assistance to the new democracy that the United States is planning to give. Plans for furnishing vast supplies to Russia are also being made.

(Special Service to Glendale Evening News)

HOUSTON, August 24.—Sixteen are known to be dead and 18 wounded, many fatally, as the result of last night's negro troop riot. Of the 16 dead, 14 are white, two of them being girls. The Illinois National Guard has rounded up more than 100 of the rioters and about 50 more are still at large. Word from the war department discloses the fact that the government does not intend to send more negroes to Texas and will withdraw those now there.

COMPROMISE WAR REVENUE BILL

EFFORT TO RECONCILE FORCES IS RESULT OF FIGHT OF WEALTH CONSCRIPTION ADHERENTS

(Special Service to Glendale Evening News)

WASHINGTON, August 24.—With wealth conscription forces threatening a long drawn out battle, efforts were made to-day to launch a compromise on the war revenue bill. The plan proposed is to eliminate all consumption taxes and a general tax increase by a heavy draft on incomes and profits.

AUSTRIAN HEADQUARTERS DESTROYED

ROME DISPATCHES TO ITALIAN EMBASSY AT WASHINGTON REPORT VICTORY IN TOLMINA SECTOR

(Special Service to Glendale Evening News)

WASHINGTON, August 24.—The Austrian military headquarters in the Tolmina sector was wiped out to-day, including its commanding officers, when struck by two Italian bombs, according to Rome dispatches received at the Italian embassy here.

BRITISH TANKS DESTROYED

BERLIN, August 24.—Twenty-one British tanks were destroyed by German troops when they vainly sought, on Wednesday, to advance south of the Ypres-Mennin road.

G. A. R. REUNION ENDS

NATIONAL ENCAMPMENT OF CIVIL WAR VETERANS COMES TO A CLOSE IN BOSTON

(Special Service to Glendale Evening News)

BOSTON, August 24.—The national reunion of G. A. R. veterans came to a close here to-day when the members were taken by steamer on a tour of the harbor and then to Nantucket beach where they were tendered an old-fashioned New England dinner.

GAS RATE CASE

MUCH DISSATISFACTION IS EXPRESSED AT DECISION OF R. R. COMMISSION

The decision of the Railroad Commission in the Gas Rate Case has occasioned much comment, none of it favorable.

The decision, handed down August 21, comes as an unpleasant and entirely unexpected surprise to the people of Glendale and vicinity.

By the terms of this decision the present rate of sixty-eight cents per thousand for half natural and half artificial gas is annulled, and the following rates go into effect on September 15th:

First 3000 ft.	80c per 1000
Next 7000 ft.	70c per 1000
Next 15000 ft.	60c per 1000
Next 25000 ft.	50c per 1000
All over 50,000 ft.	45c per 1000

Minimum 50 cents per month for residences and 35 cents per month for four or more apartments on one service.

These rates mean that the people of Glendale must bear a burden of about $10,000 a year greater than heretofore for the same service.

This, however, does not represent the full effect of the decision upon the people of Glendale, for the industrial rate for natural gas of 15 cents per thousand feet is also rescinded and a charge of 25 cents made instead. As the gas bill at the steam pumping plant has gone over $500 a month this summer, it is apparent that this will be raised to almost $900 a month.

To make the plight of Glendale people more noticeable, the rate in the central portion of Los Angeles is reduced, and the rate there is now:

First 5000 ft.	68c per 1000
Next 5000 ft.	60c per 1000
Next 15000 ft.	55c per 1000
Next 25000 ft.	50c per 1000
All over 50000 ft.	45c per 1000

with the same minimum as in Glendale.

This is in direct contradiction with the agreement between the city and the gas company that the charge for gas in Glendale would never be greater than the rate in Los Angeles.

A review of the decision shows that the greater portion of Pasadena gets a lower rate than Glendale, while a large part of the outlying portions of Los Angeles, as well as Tropico, South Pasadena, and Alhambra get the same as Glendale.

Eagle Rock, Vernon, San Fernando, Burbank, Huntington Park and other towns are still worse off as to rates than Glendale, they all starting at 85 cents per 1000.

The city had no notice by the Railroad Commission that it intended to raise rates, nor was any notice given Glendale that any hearing whatever was to be held as to its gas rates, and no opportunity was given to present testimony. The first intimation came to Glendale in the raise itself.

BEACH PARTY

Miss Alice McCoy, 127 East Third street, was the hostess on Monday at a most delightful beach party, given in honor of Miss Leota Snyder and Miss Eunice Jones, who are leaving for their schools the first of September. Miss McCoy motored down, taking her guests, who were largely schoolmates at the State Normal School, to Santa Monica Canyon and the adjacent beach. A jolly day was spent, surf bathing and in the usual beach amusements. A picnic luncheon was served by the hostess in beautiful Santa Monica Canyon. The young ladies enjoying Miss McCoy's hospitality in this delightful outing were Miss Eunice Jones, Miss Leota Snyder and her house guest, Miss Ina Harkins, Miss Frances Payne and Miss Elsie Church.

CAMP AT LONG BEACH

Word has been received from the Head and Buchanan families, who have been enjoying a month's outing at Camp Liberty, Belmont Pier, Long Beach, that the party will remain in camp another week. Mrs. Chas. Crocker, 817 Verdugo Road, visited the camp Thursday and on her return was accompanied by her daughter Catherine, who was spending ten days at Camp Liberty, and also by Miss Dorothy Head, who will remain in Glendale a few days, returning to the camp on Sunday.

MOTOR TO VAN NUYS

Mr. and Mrs. M. P. Harrison, of Third and Kenwood, with their daughter, Inez, and Misses Dela Gilbert of Tonopah, Nev., and Martha Franklin of Los Angeles, both cousins of Mrs. Harrison, made a trip to Van Nuys last evening in Mr. Harrison's new Studebaker.

BIG IDEA

SPOHR'S DRUG STORE, BRAND AND BROADWAY, A PART OF IT

Rexall. That is a name that stands for an idea, an idea so comprehensive in its scope that it will some day cover the world, and the name Rexall will be known wherever humans are gathered together in a community. The idea finds concrete representation in the United Drug Company, with headquarters in Boston, in eight thousand stores scattered throughout the United States, and more in Canada and Europe. A Rexall store is to be found in every principal city in the Union, and the one in Glendale is located at the corner of Brand boulevard and Broadway. A. G. Spohr is the owner and manager here, and is also part of the idea.

What is the idea? The idea is to do something better than the other fellow, no matter who he is; to command the situation, so far as it may be, so far as the material is concerned; to be on the ground floor, so to speak, in everything they handle—and they handle pretty nearly everything, except taxes—and to give the resulting benefits to the customer. In outline, that's the idea. To make one jump from the manufacturer to the consumer, and to land lightly on the latter.

Their drugs are their own, and they are willing to stand or fall by them—they look to them to give reputation. But drugs are only one thing; there are the accessories and everything else that a druggist carries, and the conditions are the same. But even that is only a beginning, the entering wedge. Name anything—they have it, and if you buy at any of their stores you can get any one of their innumerable articles mentioned in their catalogue, and you come into possession of a greenback-looking coupon that gives you a wealthy feeling and which has a real value for you.

But this is not an advertisement, nor has it anything to do with advertising. The thing is the idea that is conquering the world of demand.

It is hardly necessary to say that the Rexall store is all that a store of the kind should be in equipment and in the force of the men employed, for that also is part of the idea. The men employed by Mr. Spohr are F. C. Armour, R. D. Titus, J. H. Cowman and Ed. Woolbach, all of whom are residents of Glendale. The first three are registered pharmacists, who have had wide experience, while the latter, who presides at the soda fountain and dispenses the cool delectables, is about all that need be asked for. Mr. Spohr himself has had twenty-five years' experience in the drug business, and before coming to Glendale was for six years in Pasadena. He came to Glendale in the beginning of January, after disposing of his Rexall store to another concern.

FEELER-BENSON WEDDING

A wedding of much interest to a number of Glendale people, especially those who have lived here some years and knew Glendale in its earlier days, was solemnized Thursday at 1:30 at the residence of Rev. C. R. Norton, 373 West Third street. The contracting parties were William H. Feeler and Miss Mabel Benson. The ceremony was read by the Rev. Chas. R. Norton, a former pastor and old-time friend of the bride and family, in the presence of the parents of the bride, Mr. and Mrs. Geo. W. Benson of Los Angeles.

The bride, Miss Mabel Benson, is a native of Glendale, having been born on the Benson ranch just east of Glendale, and grew up to womanhood beloved by all. For several years she was employed in the local postoffice, later being transferred to Los Angeles. Mr. Feeler is a young man of sterling worth, a graduate of the University of Southern California, and is at present employed in the postoffice department of Los Angeles. Mr. and Mrs. Feeler left immediately after the ceremony for a short honeymoon, which they will spend at Balboa Beach, where they own a cottage. They will make their home in Los Angeles.

"STEVE" GIVES PEANUT-STAND PROCEEDS TO RED CROSS

(Special Service to Glendale Evening News)

WASHINGTON, August 24.—Up on Pennsylvania avenue, at the southwest corner of the White House grounds, Steve Vasilakos and his peanut-stand hold forth. Steve, a burly, fierce-mustached Greek, stands scowling beside his wailing little nickel-plated whistle and his stock of goobers from early morning until late at night. To-day, scowling and crusty as usual, he tacked this sign, daubed with red paint on white cardboard, over his stand: "I give my entire proceeds this week to the Red Cross."

Just from London, Edith, daughter of Lieutenant Graham, comes to rejoin her father at an obscure station of the Canadian Northwest Mounted Police. Corporal Emerson and Annesley, a dissipated "younger son" become rivals for her love. Annesley betrays a half-breed girl, Marie, and succeeds in making Edith believe Emerson is the guilty man. Emerson has been using the girl in his search for a gang of whiskey runners, and his association with her lends color to Annesley's false charges. Fearing discovery of the truth, Annesley kills Marie and schemes so that Emerson is arrested for the crime. How Edith learns the truth after a series of exciting adventures, how she frees her lover and brings the murderer to justice, makes a romantic story of unusual appeal.

Also, and furthermore, there will be an animated cartoon, "Happy Hooligan—Three Strikes and Out." This is the funniest ever and not one of the children will want to miss it. Come yourself and bring a kiddie. If you don't own one, borrow one for that evening anyway.

COMMERCIAL SECRETARIES CO-OPERATE

At the monthly meeting of the Commercial Secretaries of Southern California, July 28, in San Diego, an important proposition was made by a citizen of Glendale, Mr. A. S. Dudley, assistant secretary of the Los Angeles Chamber of Commerce. His idea is set forth in the following membership identification card. Any number of these cards will be furnished gratis by the Los Angeles Chamber of Commerce to any and every other Chamber of Commerce applying therefor:

This Certifies that M.....
is a member of the Glendale (California) Chamber of Commerce.

.....Secretary

.....
Signature of Member

This card will be accepted at Room E, Los Angeles Chamber of Commerce, 130 South Broadway, for such courtesies as it extends gratuitously to members in good standing in accredited commercial organizations. Make business engagements here. Meet friends here. Check packages here. Directories, city maps, time tables and general information available. Phones: Main 5684; Home 60178. When in another city present this to the secretary of the commercial organization. This is your introduction.

In this connection the following letter is pertinent:

Los Angeles Chamber of Commerce

Los Angeles, California,
August 21, 1917.

Mr. Walt. LeNoir Church, Sec'y,
Chamber of Commerce,
Glendale, Calif.

Dear Sir:

Your Membership Cards are going forward in this afternoon's mail, and in order that you may secure the greatest possible benefit from their use, kindly bear in mind these suggestions:

First—Issue the Membership Cards ONLY to members whose dues are paid in full for the year 1917. If you adhere strictly to this policy and rightly employ these cards you should materially reduce collection troubles.

Second—Have your local newspapers feature the Membership Cards. Here is one service you can offer new members. Three secretaries have already incorporated the cards in their membership campaign.

Third—The more you urge your members to use the cards and permit the Los Angeles Chamber of Commerce to serve your people, the greater will be the value of the cards—the better you will be pleased. We want these cards used.

Further, our many departments are available to serve your members, including our Industrial Bureau, Trade Extension Bureau, Publicity Department, Information Bureau, Statistical Department, Agricultural Department, Employment Department, etc. Merely have your members make known their needs and we shall do our part to take care of their requirements.

And, your suggestions to further improve this service will always be welcome. Better start to figure how many Membership Cards you will be able to use for 1918.

Yours very truly,

LOS ANGELES CHAMBER OF COMMERCE,
A. S. DUDLEY,
Assistant Secretary.

Efficient operation implies co-operation. It would materially add to the usefulness of the Glendale Chamber of Commerce if members, old or new, would call or telephone for these cards. Why not, and "lend a hand"?

WALT. LE NOIR CHURCH,
Secretary G. C. C.

P. S.—The August meeting of the Southern California Commercial Secretaries will be held at Redondo Beach to-morrow. It will be "strictly for business." So says "Father Dudley," the organizer of this unique, unorganized organization.

If you could dissect a SAVAGE you'd realize that "Heap big mileage" is built into it during every minute of its manufacture.

Highest grade rubber and fabric, perfectly balanced design, most careful workmanship, full size.

A tough road-gripping tread—neither so heavy as to produce stiffness, nor so light as to give insufficient protection to the carcass. Cushion of high-grade resilient rubber—absorbs the road shocks. Sidewall specially shaped to distribute flexing—will not crack.

And the carcass—finest Sea Island cotton, long fibre, tough, triple tested, built up layer by layer into the strongest carcass that can be made.

dale in some concerted action or move to investigate the cause of the Commission making the aforesaid ruling, and if possible to obtain relief from the same.

In connection with this matter, the City Attorney stated that when the Southern California Gas Company obtained its franchise, it was part of the agreement between that company and the city that the company would never request the people of Glendale to pay a higher rate for gas than the company was at the same time receiving in the City of Los Angeles. It appeared from the ruling that the Glendale rate had been increased and the Los Angeles rate decreased, and in view of this private contract between the City of Glendale and the Gas Company, it seems that Glendale was at least entitled to have received from the gas company a complaint as to the insufficiency of the rate.

Furthermore in 1916, the Southern California Gas Company entered into a contract with the City of Glendale to furnish the city natural gas at a rate of 15c per thousand feet, and the city has purchased gas under that contract to the extent of over $500.00 a month. The effect of the Railroad Commission's decision is to abrogate this contract and charge the city a much higher rate without notification having been given to the city, either by the gas company or the Commission; that the company desired to rescind the contract or that a hearing was to be held or that this contract was to be altered in any manner. A motion of Trustee Woodberry was adopted instructing the City Manager to communicate with the Southern California Gas Company and the Railroad Commission the opinion of the Board of Trustees as expressed above.

The City Attorney reported on the application of Mrs. Snively for a reduction in taxation and the canceling of certain certificates for sale, that in view of the fact that Mrs. Snively had attempted to file the necessary papers and had received the impression that all acts necessary to secure the exemption had been complied with, it would be proper for the Board to cancel the certificates of sale. On motion, the recommendation of the City Attorney was adopted and the City Clerk was instructed to make a report as to the exact status of the matter at the next meeting.

Mr. J. F. Chandler addressed the Board in reference to his efforts to secure gas from the Southern California Gas Company on his property on Stanley avenue, stating that all his efforts up to this time had been unavailing, notwithstanding the frequent promises of the company to install the service, and the numerous occasions on which he had met all of their demands in an effort to remove every obstacle in the way of his securing the service. The City Attorney advised Mr. Chandler to lay his case before the Railroad Commission.

On motion of Trustee Muhleman, "An Ordinance prescribing certain rules for regulating traffic upon the public streets in the City of Glendale and repealing ordinance No. 222 of said city," was taken up for first reading. On motion, this ordinance was declared read for the first time and was taken up for the second reading. On motion, this ordinance was declared read for the second time and was laid over till the next regular meeting for the third and final reading.

On motion, Ordinance Number 312, "An Ordinance of the City of Glendale regulating the use of all that portion of Maryland Avenue within the City of Glendale lying north of the north line of Fifth Street, also all that portion of Kenwood street within the city of Glendale lying north of the north line of Colorado street," was taken up for third and final reading, and upon being read was, on motion of Trustee Jackson, adopted.

"Oh, doctor," said a worried voice, "something seems to have happened to my wife. Her mouth seems set, and she can't say a word."

"Do you think so? Well, if you are up this way some time next week I wish you would step in and see what you can do for her."—Harper's Magazine.
